

A man with dark hair and a beard is shown in profile, shouting with his mouth wide open towards an open laptop. The background is a solid, vibrant red. The text "collaborating with non-collaborators" is overlaid in white, lowercase letters on the right side of the image.

collaborating  
with non-  
collaborators

# why people **don't** collaborate...

- lack of  
collaboration  
skills

- **fear**

fear of  
**losing**  
control

fear of **someone** else

taking credit

fear of **failure**

**broken  
trust**

what this looks like ...

broken  
commitments by  
someone or a  
team

afraid to look foolish or dumb

frozen in place for fear of losing job,  
position,  
and status

⇒ descriptions you see?

why people **don't** collaborate...

- lack of  
collaboration  
skills

- **fear**

- 'it's all about **me**'

self-centered

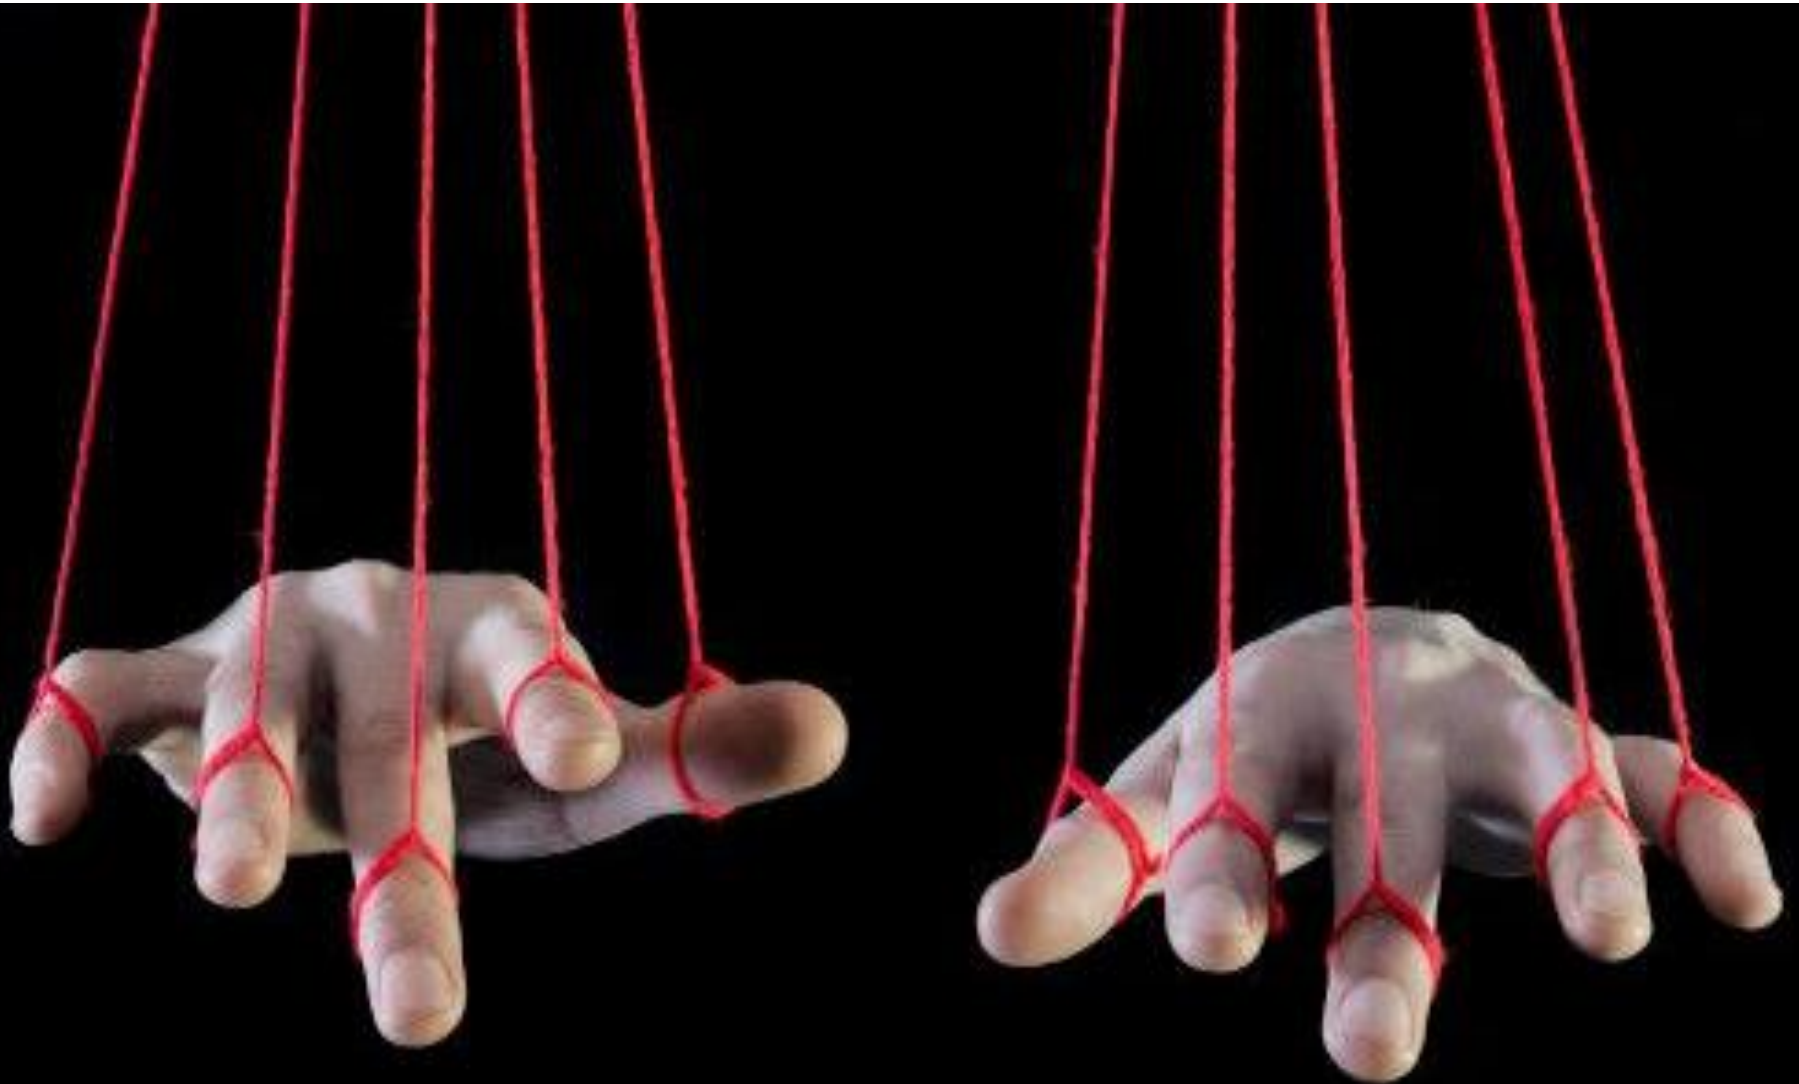

passive **aggressive**

wants **power** and control

personal agendas

The background of the slide features a horizontal band of light, likely a sunset or sunrise, with colors ranging from bright yellow and orange in the center to deep red and purple towards the edges. Above this band, the sky is a deep, dark blue, dotted with numerous small, bright white stars. The overall composition is centered, with the text 'personal agendas' overlaid on the upper portion of the image.

differing  
**ethics**

**must win**

what this looks like...

withholds  
information to  
elevate importance  
to organization

is superior to others

sabotages  
others in effort  
to look better

always wants fingers in anything under the spotlight

has team  
and/or  
personal goals  
that  
don't align with  
others

often highly  
successful

doesn't really  
micro-manage  
but controls all  
key decisions
